NATURAL PROTECTION HAIRSPRAY «BE-COLOR» BRIGHTNESS & COLOR PROTECTION daily care step to maintain the deep shade of colored hair. This hairspray deeply moisturizes and covers with a weightless veil and protects against damage during styling, while providing a luxurious glossy shine.

Has your hair become dull after coloring and the color is quickly washed off?

[WHEN]: Hair needs thorough care even after professional coloring. Accordingly, hair care products with nourishing and moisturizing ingredients help ensure deep hair restoration in the best way.

[BENEFIT]: A.H.A. acids help to maintain optimal pH level, which helps to preserve hair color for a long time, and also provides a glossy shine.

Directions: Spray a small amount onto the clean damp or dry hair. Do not rinse. Style as usual. For best results use with other «BE-COLOR» products.
