DO AS WILD ANIMALS DO!

Wild Foxes know instinctively what herbs
and berries to seek out to make their
coats vibrant and beautiful. From
observing them, we selected herbs and
berries to care for your pet.

«Glow» controlled
organic shampoo

for pets with dull coats that
lack volume.

We use wild harvested and
organic ingredients:

Wild Foxberry
is a fox's favorite delicacy. They like
eating it while resting. It contains oleic
acid, which moisturises the coat and the
foxberry is full of antioxidants which
leave the coat bright and silky

**Pro-vitamins C, E
of Sea Buckthorn**
moisturise and recover the coat
to give it volume and shine.

**Saponified
Cedar Oil**
is a detergent base
of natural origin
that provides delicate
and safe cleansing.
