EN This facial mask contains Thermal Kuril Water and Wild Sea Sakhalin Algae extract, enriched with vitamins, hydrates and gives radiance to the skin, providing a long-lasting freshness.

Directions: Apply a small amount to the clean dry skin, don't rinse. Use before or in replacement of your face cream.

FR Ce masque visage à l'Eau thermale des Kouriles et à l'Extrait d'algues marines sauvages de Sakhaline enrichi en vitamines, hydrate la peau et lui confère un éclat naturel et une agréable sensation de fraîcheur longue durée.

Mode d'emploi: Appliquez une petite quantité sur peau propre et sèche, ne pas rincer.

DE Gesichtsmaske ohne Abspülen. Anwendung: Auf die trockene, saubere Haut auftragen, nicht abspülen. Vor oder anstelle der Gesichtsschmierung verwenden.

US Use as a substitute for the cream facial mask.

IT Maschera per il viso senza risciacquo. Indicazioni: Usare una piccola quantità sulla pelle asciutta e pulita, non risciacquare. Utilizzare prima o in sostituzione della crema per il viso.

NL No-need-to-rinse gezichtsmaske. Gebruiksaanwijzing: Droeg en schoon geverfde en op een schone droge huid niet uitspoelen. Gebruik voor of ter vervanging van uw gezichtscreme.

PL Nie trzeba myć twarzy. Maszka do twarzy bez spłukiwania. Sposób użycia: Nakładać niewielką ilość produktu na oczyszczoną, suchą skórę. Nie spłukiwać. Można stosować lub w miejsce kremu do twarzy.
