Organic oblepikha has been used for centuries in beauty treatments. This amazing berry is a rich natural source of Vitamin C.

Organic oblepikha hydrolate promotes the improvement of skin's overall condition by boosting elasticity and hydration.

C Vitamin C

Vitamin C helps to enhance your skin's natural defense system, speeding up the repair process.

A+E Vitamins A + E

Vitamins A + E help to minimise signs of premature ageing and boost skin radiance.

Hydrolysed rice proteins

Hydrolysed rice proteins increase the ability of the skin to bind moisture; it increases flexibility and tensile strength.

Polysaccharides

Polysaccharides are responsible for the skin's natural ability to hydrate and retain water.
