

SAKHALIN ORGANIC FARM

The Sakhalin island is one of the most mysterious and inaccessible regions. Wild plants of Sakhalin, breaking through the ice and growing under the snow, have powerful properties.

On our organic farm, we obtain extracts from these plants which have amazing healing and regenerating properties for our skin and hair.

ICY BERRY shower gel, containing **organic Limonnik** **Nanal extract** and **golden Cloudberry organic extract**, gives your skin a vitamin boost and a feeling of softness and comfort. **Directions:** Apply a small amount to wet skin, evenly spread over the body and massage into a rich lather. Rinse with warm water.
