DO AS WILD ANIMALS DO!

Wild Tundra Bunnies know instinctively what herbs and berries to seek out to make their coats vibrant and beautiful. From observing them, we selected herbs and berries to care for your pet.

«Delicate» controlled organic shampoo for pets with very gentle skin. Safe for young pets.

We use wild harvested and organic ingredients:

White Willow Bark and Root

is a favorite food of rabbits during the hungry period of winter. White willow is rich in salicin which soothes the skin.

Organic Chamomile
