CONTROLLED ORGANIC

URBAN-DETOX PET SHAMPOO

WILD SIBERIAN HERBS

Altai Maral Root Extract, Rhodiola Rosea
Organic Hydrolate, Saponified Cedar Oil

5000ml/ 169, 07 fl. oz

DO AS WILD ANIMALS DO!

Wild Siberian animals know instinctively what herbs and berries to seek out to make their coats vibrant and beautiful. From observing them, we selected herbs and berries to care for your pet.

«Urban-detox» controlled organic shampoo

for pets living in large cities whose
coats need full cleaning and
refreshment.

We use wild harvested and
organic ingredients:

Altai Maral Root

is a deer's favorite root. It is also called
the root of life. Maral root is a powerful
source of energy for deer. It makes them
faster and stronger for when they need
to get away from their enemies in the
wild. The root has powerful antioxidant
and detoxifying benefits, cleaning and
refreshing the skin and coat of the deer.

Rhodiola Rosea

is a concentrated cocktail of vitamins
and microelement that moisturise
the coat and make it resistant to
environmental impact.

Saponified Cedar Oil
is a detergent base from
natural origin which ensures
delicate and safe cleaning.

ECOPETCARE ORGANIC
controlled by ECOCERT
Greenlife. Standard available on
<http://ecopetcare.ecocert.com>.

*10,3 % organic of total.
98,8 % natural origin of total.

Adaptogens are unique plants that
survive from -50°C to +50°C. As a
result, they possess rare qualities
that are used therapeutically and
are renowned to deliver miracle
natural skin care benefits and
beauty presenting properties.

Wilda Siberica uses wild Siberian
herbs which possess special
qualities and are manually
collected by the locals.

Contains valuable organic
extracts of Siberian plants from
Natura Siberica organic farms.
