**NATURA SIBERICA
Lab Biome**
Intelligent cosmetic line, based on the unique postbiotic active and fermented extracts of northern cloudberry and angelica root, which adapt to the individual needs of your skin and maintain its immunity.

**CREATED BY NATURE
ENHANCED BY SCIENCE**

**WHAT IS
Biome?**

Biome plays a positive role in helping to maintain a healthy and glow skin and its barrier and perfectly helps to protect the skin from the negative factors of the urban lifestyle like stress and smog. When your microbiome is balanced, your skin looks and feels healthy.
