ALL CURL HAIR TYPES
TOUS TYPES DE BOUCLES

Co-washing is the way to cleanse your hair most of the time. It gently removes residue including all of the things you've used to style and maintain your coils and curls. Revive hair while enhancing waves and soft curls with a frizz-free, shiny finish for touchable hold with bounce.

Directions: Apply to damp hair. Gently massage into a lather. Leave for 1-2 minutes. Rinse thoroughly.

BIOLIPID COMPLEX – a unique fusion of powerful berry and components that actively penetrates into the hair and scalp.

3-BLEND VITALITY-COMPLEX – Botanical **OBLEPIKHA** (sea buckthorn) magic trio that works together to make shapely curls and replenish hair.

WHEAT PROTEIN helps to restore hair's elasticity so that curls stretch perfectly and then bounce back.

OBLEPIKHA (sea buckthorn) has been used for centuries in beauty treatments. This amazing berry from severe nature is a very rich natural source of **Vitamin C**.

ADVANCED HAIR FORMULA:

- fast absorption of nutrients and vitamins into the hair
- fast distribution technology of the product through hair lengths
- fast and effective results
