**NATURAL HAND CREAM
NOURISHMENT AND PROTECTION**

Eni Special formula increases elasticity of hand skin, helps to build up protective barrier and prevents moisture loss, gives daylong feeling of comfort.

- ✓ GIVES SUPER NOURISHMENT
- ✓ IMPROVES SKIN APPEARANCE
- ✓ PROTECTS FROM TEMPERATURE DIFFERENCES

Organic Daurian rose extract gently cares for hand skin, intensively moisturizing it. Organic sage extract is a source of vitamins A, E and potassium, that nourish skin and fill it with vital energy. Pine essential oil, natural source of Omega 3-6-9 and vitamin E, improves skin tone and its elasticity, protects from negative environmental impact.

Directions: Apply cream with light massaging movements to hands 1-2 times a day.

FR Rose dorée de Dahurie, Crème naturelle mains. Nutrition et protection. Sa formule spéciale améliore l'élasticité de la peau, aide à renforcer la barrière de protection et à maintenir l'hydratation, procurant une sensation de confort pour toute la journée. **Mode d'emploi:** appliquer la crème sur les mains en massant légèrement 1-2 fois par jour.
