

Natura Siberica designed a new ultra protective line that effectively fights against undesired pollutants.

Our specialists created a unique Siberian Active Herbal Complex that combines the gifts of Siberia: organic extracts of sagebrush, chamomile, nettle and organic sage and rosemary oils. It is famous for antibacterial and protective properties.

Based on a blend of **Siberian Active Herbal Complex** and **Vitamin E**, this shampoo moisturizes and nourishes hair, leaving it silky. Optimal antibacterial effect due to 60 sec washing.

DIRECTIONS: Apply a small amount to damp hair, massage into a lather for 60 seconds, rinse with warm water.

FR Shampoing certifié naturel effet antibactérien. Ultra Protection et Hydratation.
