**NATURAL MULTIFUNCTIONAL
HAIR MIST ALL-IN-ONE**
«CAVIAR THERAPY» REPAIR &
PROTECTION deeply
penetrates the hair structure
and intensively moisturizes,
fills in damaged areas and
protects against breakage
during heat styling, while
giving a glossy shine.

Has your hair become brittle, dry,
unruly and constantly electrified?

[WHEN]: As a result of frequent hair
coloring, heat damage and stress,
your hair has become brittle and
lifeless, which is difficult to form
into a clear hairstyle.

[BENEFIT]: The precious extract of
black caviar is highly rich in proteins,
minerals and unsaturated fatty
acids, which are really similar in
composition to the hair
components. With regular use this
hair mist leaves your hair smooth
and shiny.

Directions: Spray a small amount
onto the clean damp or dry hair. Do
not rinse. Style as usual. For best
results use with other «CAVIAR
THERAPY» products.
