by NATURA SIBERICA

**Cloudberry Oil** helps restore natural shine and protect from environmental influence

**Ceramides** deeply penetrate the hair structure and fill voids

**Camellia PRO-oil** softens hair for a luxurious shine

**Is your curly hair porous, difficult to style and lack shine? [WHEN:]** Heavy curls look attractive, but without special care they look messy, and high humidity makes them overly fuzzy. Everyone who has unruly curls faces difficulties of combing.

**[BENEFIT:]** Curly hair is prone to dryness. Natural oils are the most suitable for moisturizing hair. Oils can be used as the addition to shampoos, conditioners, hair masks or in the raw.

**Directions:** Apply conditioner to the damp towel dried hair. Do not rinse. For best results use with other «BE-CURL» products.

**NATURAL LEAVE-IN HAIR CONDITIONER BEFORE STYLING «BE-CURL» SMOOTHNESS & SHINE** is important step in the daily care of unruly and curly hair. This conditioner moisturizes the porous structure of the hair and nourishes it with nutrients, making it manageable, giving it smoothness and natural shine, and protects from the negative environmental influence.
