**NATURAL SHAMPOO «BE-COLOR»
BRIGHTNESS & COLOR**
PROTECTION is best for delicate care of colored hair. Thanks to the high concentration of natural ingredients, this shampoo gently cleanses, moisturizes and nourishes, prolonging the color integrity and intensity.

Has your hair become dull after coloring and the color is quickly washed off?

[WHEN]: Hair needs thorough care even after professional coloring. Accordingly, hair care products with nourishing and moisturizing ingredients help ensure deep hair restoration in the best way.

[BENEFIT]: A.H.A. acids help to maintain optimal pH level, which helps to preserve hair color for a long time, and also provides a glossy shine.

Directions: Apply shampoo to damp hair, massage and rinse thoroughly. For best results use with other «BE-COLOR» products.

FR SHAMPOING NATUREL « OSEZ LA COULEUR » LUMIÈRE & PROTECTION DE LA COULEUR.
