HONEY CONTAINS VITAMINS FOR YOUTH AND SKIN BEAUTY

Organic honey eliminates dryness, nourishes and saturates your skin with valuable vitamins. **Siberian pine oil** – natural source of Omega 3-6-9 and vitamin E improves skin tone. **Wild fir extract** – source of phytoncids, calms skin. **Organic sagan dailya extract** is powerful natural energetic and antioxidant, provides excellent skin renewal.

UNIQUE FACT

Honey possesses antioxidant properties: its components help to promote body youth prolongation.

WHAT IS TAIGA SIBERICA?

Taiga Siberica is the most effective cosmetics, based on powerful and wild Taiga plants. We use fresh extracts of herbs and plants, that are rich in beneficial properties, collected by Taiga dwellers. We installed extractors on our organic farms, where extracts are made within 6 hours after gathering – all in order to preserve the maximum beneficial properties of wild plants.

Directions: Apply a small amount of gel to damp skin or sponge, lather and rinse with warm water.

FR Miel et Pin de Sibérie. Gel douche naturel. Spa au Pin. L'association d'extraits naturels et d'huile de Pin permet de ressourcer complètement votre corps et votre esprit, tout en vous apportant vitalité et énergie. **Mode d'emploi :** appliquer une petite quantité de gel sur la peau humide ou sur une éponge, faire mousser puis rincer à l'eau tiède.
