

**NATURAL BODY SCRUB
REVITALIZING**

EN Full skin restoration and purification thanks to combination of active components and force of Taiga plants. Supports skin elasticity and natural tone.
✓ HELPS TO NOURISH SKIN ✓ DEEPLY CLEANSSES
✓ SUPPORTS SKIN WELL-GROOMED LOOK

Wild juniper extract improves skin tone and nourishes it. Sea algae extract saturates skin with useful microelements and vitamins, that make skin elastic and help to restore it. Rapan salt exfoliates skin perfectly. Organic sage extract is a source of vitamins A, E and potassium, that nourish skin and fill it with vital energy.

Directions: Apply a small amount of scrub to damp skin with massaging movements and rinse with warm water.
FR Détox des Chamanes de l'Altai: Gommage naturel corps. Revitalisation. Régénération et purification totale grâce au mélange d'algues marines, de sel et d'un extrait de Sauge bio. WHAT IS TAIGA SIBERICA?

Taiga Siberica is the most effective cosmetics, based on powerful and wild Taiga plants. We use fresh extracts of herbs and plants, that are rich in beneficial properties, collected by Taiga dwellers. We installed extractors on our organic farms, where extracts are made within 6 hours after gathering – all in order to preserve the maximum beneficial properties of wild plants.
