

Wild Harvested Herbs Based on Cedar Oil Derivative Pure organic Oils

The Sauna & Spa line was specially created for your home spa treatment. The unique plants we apply have survived the **Ice Age** by adapting to one of the planet's most severe environments. As a result they possess concentrated vitamins and minerals **highly beneficial** for skin and hair.

This massage butter is a wonderful sculpting treatment for your body. **Organic Rocket** contains up to three fatty oils, softens and hydrates skin. **Organic Shea Butter** helps to restore and renew skin, improving its elasticity and firmness and make it overall radiant. **Milfoil** has great toning effect and helps deeply soothe skin. **White Wax** contains vitamin A and free fatty acids which help to revitalize skin and improve its structure, making skin smooth and gentle.

Directions: Apply to dry skin during an anticellulite massage session. For best results, use after Natura Siberica Hot Salt Body Scrub or Mud Wrap. Daily massage is a critical step in improving the appearance of your skin.
