FR SAVON DU GRAND NORD NETTOYAGE DU VISAGE EN PROFONDEUR
Ce savon puise aux exceptionnelles propriétés revitalisantes des herbes et baies, bien connus des populations du Grand Nord qui les emploient traditionnellement pour préparer infusions et elixirs de santé, de vitalité et de jeunesse. Les experts Natura Siberica ont recueilli les recettes traditionnelles des peuples Nenets, Selkoup et Khanty pour les intégrer dans un soin unique et naturel: le Savon du Grand Nord. Il laisse la peau désincrustée, le grain de peau ressermé et le teint lumineux. Il associe une base de charbon actif, un puissant absorbant naturel à base de **Rebecca Nordica** et un mélange d'herbes sauvages et d'extraits de baies bénéfiques.
Mode d'emploi: 1. Humidifier l'éponge. 2. Appliquer du savon sur l'éponge. 3. Masser délicatement sur visage propre et sec en faisant le contour des yeux et des lèvres une petite minute. 4. Rincer le visage à l'eau tiède jusqu'à élimination complète du savon et laver l'éponge. 5. A faire 1 à 2 fois par semaine pour de meilleurs résultats. Se conformer au mode d'emploi.

ES JABÓN NEGRO NÓRDICO PARA LIMPIEZA FACIAL PROFUNDA
Este jabón está lleno de propiedades únicas de hierbas y bayas revitalizantes. Los pueblos nórdicos lo han usado tradicionalmente para crear infusiones medicinales y elixires para preservar la belleza, la vitalidad y la juventud. Los expertos de Natura Siberica estudiaron cuidadosamente las antiguas recetas de los Nenets, Selkup y Khanty nórdicos y las usaron para preparar un producto natural único: el Jabón Negro Nórdico para Limpieza Facial Profunda. El jabón está hecho de carbón activado, que es un gran absorbente y el extracto de hierba y bayas silvestres llamado **Rebecca Nordica**.
Forma de uso: 1. Humedecer la esponja con agua. 2. Aplicar el jabón sobre la esponja húmeda. 3. Aplicar el jabón sobre la piel facial seca usando la esponja, evitando el contorno de ojos y los labios, y masajear con suavidad. 4. Lavar la cara hasta eliminar todos los restos de jabón. Lavar la esponja. 5. Para mejores resultados usar 1 a 2 veces por semana. Usar únicamente como se indica.

IT SAPONE NORDICO PER LA PULIZIA PROFONDA DEL VISO
Questo sapone possiede proprietà uniche, grazie al suo contenuto in erbe e bacche a effetto rivitalizzante. Le genti nordiche lo utilizzano da sempre per creare infusi ed elisi che aiutano a mantenere la salute e a conferire una incredibile vitalità e giovinezza. Gli esperti di Natura Siberica hanno studiato attentamente le antiche ricette delle popolazioni nordiche: dei Nenets, dei Selkup e dei Khanti per creare questo inimitabile prodotto naturale. Il Sapone Nordico per la Pulizia Profonda del Viso, è un sapone contenente anche carbone attivo, potente assorbente naturale, ed estratti di erbe e bacche selvatiche a comporre la cosiddetta **Serie Nordica**.
modalità d'uso: 1. Umidificare il sapone con acqua. 2. Applicarlo sulla spugna umida. 3. Impastare con la spugna il viso asciutto e massaggiare dolcemente avendo cura di evitare le zone degli occhi e delle labbra. 4. Sciogliere il viso accuratamente con acqua tiepida, assicurandosi di aver eliminato tutte le tracce di sapone. Pulire la spugna. 5. Per ottenere i migliori risultati ripetere il trattamento una o due volte a settimana. Usare unicamente nel modo indicato.

NORTHERN SOAP FOR DEEP FACIAL CLEANSING

BASED ON ACTIVATED CHARCOAL

This soap is filled with unique properties of revitalizing Organic herbs and berries. Northern people have traditionally used them for creating medical infusions and elixirs to preserve health, amazing vitality and youthfulness. Natura Siberica experts have carefully studied the ancient recipes of the northern Nenets, Selkup and Khanty people to create this unique natural product - Northern Soap for deep facial cleansing. The soap is made of activated charcoal, which is a great natural absorbent, and of wild herbs' and berries extracts, so called The Northern Collection.

- «The Northern Collection»:**
- **Organic Oblepikha oil** softens, tones, nourishes and improves skin elasticity.
 - **Limonnik Nanai** protects against environmental impacts on the skin.
 - **Wild harvested Organic Pine oil** contains vitamins E and F, which moisturize and strengthen the skin.
 - **Organic Flax Seed oil** has great nourishing properties.
 - **Organic Dwarf Birch** moisturizes the skin, leaving it soft and supple.
 - **Organic Northern Cloudberry extract** contains vitamin C, Omega 3 and Omega 6 fatty acids and also has antioxidant effect. It helps to improve the natural colour and firmness of the skin, while protecting it from external impacts.
 - **Bilberry oil** improves skin tone and elasticity.
 - **Organic Raspberry Seed oil** has perfect moisturizing properties.

Directions: 1. Wet the soap sponge with water. 2. Apply the soap on the wet sponge. 3. Apply the soap on dry face using the sponge, avoiding eye and lip area, massage gently. 4. Rinse your face with warm water until all traces of the soap have been removed. Wash the sponge. 5. For best results use once or twice per week. Use only as directed. By following our directions you will get the best results: clean face skin and even alluring complexion. It is recommended to use Northern Soap for Deep Facial Cleansing Two times per week maximum.
