

EN In a small Doctor Konopka's herb shop you can find a remedy for every occasion. Recipes of invigorating balms, infusions and ointments based on healing herbs were carefully collected and kept from generation to generation.

Moisturizing face toner consists of chamomile organic extract rich in mineral nutrients and bisabolol that help calming and smoothing the skin. Combined with rose water it gives delicate cleansing and restores the skin's natural level of moisture, making it more soft and gentle.

DE Dr. Konopkas Kräutlerlädchen hält Mittel für alle Lebenslagen bereit. Die Rezepturen für vitalisierende Balsame, Elixiere und Salben aus Heilkräutern wurden sorgsam gesammelt und von Generation zu Generation weitergegeben.

Das Feuchtigkeit spendende Gesichtswasser enthält Bio-Kamillen-Extrakt mit einem hohen Gehalt an Mineralstoffen und Bisabolol, die die Haut beruhigen und glätten. Mit Rosenwasser reinigt es schonend und reguliert den natürlichen Feuchtigkeitsgehalt der Haut. Sie wird weich und zart.

FR Le Docteur Konopka est un herboriste hors pair qui à partir d'herbes médicinales, concocte des baumes, crèmes, traitements et recettes miracles qu'on se transmet de génération en génération.

Notre lotion hydratante pour le visage à base d'extraits organiques de camomille est riche en éléments minéraux et en bisabolol qui aident à apaiser et adoucir la peau. Associant l'eau de rose elle procède à un nettoyage en douceur et permet à la peau de retrouver son degré naturel d'hydratation et de la rendre plus douce et veloutée.

Directions/Anwendung/Mode d'emploi: Apply to cotton pad, wipe the face / Auf ein Wattepad geben und Gesicht sanft reinigen. / Appliquer sur un cotton et nettoyer le visage.
