Shampoo con principi attivi adeguatamente bilanciati, composto da estratti vegetali dall'attività stimolante e rinforzante come il pepe nero e la menta piperita. Grazie alla presenza di un complesso naturale dalle proprietà anti-ossidanti, previene l'invecchiamento cellulare e contrasta i radicali liberi.

Modo d'uso: bagnare i capelli, applicare uniformemente su cute e capelli, massaggiare, poi risciacquare abbondantemente. Ripetere se necessario. Risciacquare in caso di contatto con gli occhi.

Shampoo with perfectly balanced active ingredients (as Black pepper and Peppermint), made by vegetable extracts with stimulating and strengthening activities. Thanks to the presence of a natural complex with antioxidant properties, it prevents cellular ageing and contrasts free radicals.

Recommended use: on wet hair, spread a normal quantity of shampoo, massage evenly throughout hair. Lather and rinse. Repeat if desired. In case of contact with eyes, rinse thoroughly.
